The Honorable Daniel R. Judson Commissioner of Insurance Commonwealth of Massachusetts Division of Insurance 1000 Washington Street, Suite 810 Boston, MA 02118-6200

Honorable Commissioner:

Pursuant to your instructions and in accordance with Massachusetts General Laws, Chapter 175, Section 4, an examination has been made of the financial condition and affairs of

NEW ENGLAND MUTUAL INSURANCE COMPANY

at its home office located at 57 Washington Street, Quincy, Massachusetts 02169. The following report thereon is respectfully submitted.

SCOPE OF EXAMINATION

New England Mutual Insurance Company ("Company") was last examined as of December 31, 2009 by the Massachusetts Division of Insurance ("Division"). The current examination was also conducted by the Division and covers the five-year period from January 1, 2010 through December 31, 2014 including any material transactions and/or events occurring subsequent to the examination date and noted during the course of this examination.

The examination was conducted in accordance with standards and procedures established by the National Association of Insurance Commissioners ("NAIC") Financial Condition (E) Committee and prescribed by the current NAIC Financial Condition Examiners Handbook, the examination standards of the Division and with Massachusetts General Laws. The Handbook requires that we plan and perform the examination to evaluate the financial condition and identify prospective risks of the Company by obtaining information about the Company, including corporate governance, identifying and assessing inherent risks within the Company, and evaluating system controls and procedures used to mitigate those risks.

All accounts and activities of the company were considered in accordance with the risk-focused examination process. This may include assessing significant estimates made by management and evaluating management's compliance with Statutory Accounting Principles. The examination does not attest to the fair presentation of the financial statements included herein. If, during the course of the examination an adjustment is identified, the impact of such adjustment will be documented separately following the Company's financial statements.

This examination report includes significant findings of fact, as mentioned in the Massachusetts General Laws, Chapter 175, Section 4, and general information about the insurer and its financial condition. There may be other items identified during the examination that, due to their nature (e.g., subjective conclusions, proprietary information, etc.), are not included within the examination report but separately communicated to other regulators and/or the Company.

The Company is audited annually by PricewaterhouseCoopers LLP ("PWC"), an independent certified public accounting firm. The firm expressed unqualified opinions on the Company's financial statements for the calendar years 2010 through 2014. A review and use of the Certified Public Accountants' work papers was made to the extent deemed appropriate and effective. Representatives from the firm of Actuarial Group Inc. were retained by the Division to assist in the examination by performing certain examination procedures at the direction and under the overall management of the Division's examination staff. The assistance included a review of accounting records, information systems, investments and actuarially determined loss and loss adjustment expense reserves.

SUMMARY OF SIGNIFICANT FINDINGS OF FACT

There were no significant findings identified during the examination.

COMPANY HISTORY

General

The Company originally had been chartered on March 30, 1887, as American Mutual Liability Insurance Company ("AMLIC") by an Act of the Massachusetts Legislature. Subsequently, AMLIC had been ordered liquidated effective March 9, 1989, by the Supreme Judicial Court of Massachusetts ("Court"). By an order and injunction ("Order") of the Court entered on August 11, 2006, the Company was restructured and all of the Company's prior and existing liabilities and obligations were released and discharged to a trust. The Court also thereby approved a change of name of the Company to New England Mutual Insurance Company, and authorized to transfer control of the corporate shell of the Company to Quincy Mutual Fire Insurance Company, ("QMFIC"), clear of any of the Company's liabilities existing immediately prior to such transfer. The transaction between the Commissioner and QMFIC was closed effective October 1, 2006; as of that date QMFIC acquired control of the Company pursuant to the Order and QMFIC re-capitalized the Company with a \$20.0 million investment in the guaranty capital shares issued by the Company. The Company thereby became an affiliate of QMFIC and a member of the Quincy Mutual Group.

On October 14, 2011, pursuant to written approval from the Massachusetts Commissioner of Insurance, QMFIC purchased an additional \$20 Million in guaranty capital shares from the Company as was authorized by the Company's members at a duly noticed and convened Special Meeting of Members held on July 28, 2011. On November 14, 2014, pursuant to written approval from the Massachusetts Commissioner of Insurance, QMFIC purchased an additional \$5 Million in guaranty capital shares from the Company as was authorized by the Company's members at a duly noticed and convened Special Meeting of Members held on September 29, 2014.

ANALYSIS OF CHANGES IN FINANCIAL STATEMENTS RESULTING FROM THE EXAMINATION

There have been no changes to the amounts reported in the Annual Statement.

COMMENTS ON FINANCIAL STATEMENT ITEMS

As a result of the examination, no issues with non-compliance, adverse findings, or material changes to the financial statements were identified.

The Division engaged Actuarial Group, Inc ("AGI") to review the reasonableness of the loss and LAE reserves of the Company as of December 31, 2014. The review was conducted in a manner consistent with the Code of Professional Conduct and the Qualification Standards of the American Academy of Actuaries and the Standard of Practice adopted by the Actuarial Standards Board.

AGI performed an analysis of the loss and LAE reserves evaluated as of December 31, 2014. With regard to comparisons to the estimates derived by the Company's Appointed Actuary ("AA"), AGI noted that as of December 31, 2014, the Company held net loss and LAE reserves slightly higher than the AA's central estimate. The Company held net loss and LAE reserves of \$13.6M as of December 31, 2014 while the AA had a central estimate of \$13.1M.

The consulting actuary, AGI, noted the central estimate of the net loss and LAE reserves of \$13.1M, which is lower than the booked reserves of \$13.6M. The net booked reserves is within the AGI range of reasonable estimates from \$12.5M to \$13.8M. In the opinion of AGI, the net loss and loss adjustment expense reserves carried by the Company as of December 31, 2014, make a reasonable provision for all unpaid loss and loss adjustment expense obligations of the Company.

The table below summarizes a comparison of AGI's range of reasonable estimates for loss and LAE reserves to the Company's net carried loss and LAE reserves as of December 31, 2014.

	AGI Central	Company Carried	Position ("+"	AGI Range

Net	13.1 million	13.6 million	0.6 (+4.4%)	12.5 to 13.8 mil
